

She opens the door, but before she can get out, an INFLUENCER, 20s, obnoxious, dramatic, appears near the car, phone already out.

INFLUENCER

Eeeek!

IHDB is caught off guard and shuts the door again abruptly. She yells out the window.

IHDB

Who you?! Don't be poppin up on me like dat.

INFLUENCER

My bad...it's just...you're IT'S HAIR DAY BIHH! I love your videos!

IHDB is flattered.

IHDB

Thanks, boo.

INFLUENCER

I knew it was you. You're presence is strong.

IHDB beams. Bree clocks the phone.

BREE

Oh no.

The influencer starts recording.

INFLUENCER

What y'all doing today?

IHDB

Transforming lives.

BREE

Allegedly.

INFLUENCER

Love that.
(to Bree)
Is this a before?

Bree looks down, embarrassed.

BREE

I don't love that word.

INFLUENCER

It's just content. I'm a hair influencer.

BREE

I did not consent to being content.

The influencer laughs like Bree's joking.

INFLUENCER

You funny.

BREE

I'm serious.

IHDB glances at her.

IHDB

Just blur her face. She scary.

INFLUENCER

Of course.
(already recording)
Okay y'all-

Bree covers her face, trying to hide.

IHDB

IT'S HAIR DAY BIHH!

The influencer laughs obnoxiously.
