

1 INT. COURTNEY'S HOUSE - KITCHEN - CONTINUOUS - NIGHT

1

ANGELA
You weren't kidding.

COURTNEY
About tequila? Never.

ANGELA
About us apologizing.

Courtney keeps her back turned.

COURTNEY
I said tonight wasn't about old things.

ANGELA
You brought up the bathroom.

COURTNEY
Because it happened.

ANGELA
Something else happened that night.

Courtney turns.

COURTNEY
Go sit down, Angela.

2 INT. COURTNEY'S HOUSE - HALLWAY - NIGHT

2

Angela exits the kitchen and nearly collides with April.

APRIL
What did you say to her?

ANGELA
Why are you asking?

APRIL
Because you have a gift for poking wounds and acting surprised when they bleed.

ANGELA
You knew she was still angry.

APRIL
She has a right to be angry.

ANGELA
At all of us?

APRIL
At whoever she wants.

Angela studies her sister.

ANGELA
What did Courtney tell you?

APRIL
Nothing you would understand.

ANGELA
Try me.

APRIL
She stayed here. We left. That's
enough.

April moves past her. Angela notices the scratch again. This time there is a faint smear of red beneath April's sleeve.

ANGELA
Your wrist is bleeding.

April looks down, annoyed.

APRIL
I caught it on Courtney's back gate.

ANGELA
You said it was a cat.

April holds her gaze.

APRIL
Then I lied about a cat.

She walks away.
